Municipality of Digby Solid Waste Collection

Municipality of Digby
Preserving Our Past
Developing Our Future

Monday (Day 1) Brier Island, Long Island, then East Ferry up to Wilson's gas stop.

Tuesday (Day 2) Starting at Wilson's gas stop, proceeding to Seabrook, Culloden, Bay View, Conway and Smith's Cove. (North of Highway 101)

Wednesday (Day 3) Starting at Ashmore on Highway 101, proceeding to North Range Road, then to North and South Range, up to and including Doucetteville, Weymouth, and Riverdale.

Thursday (Day 4) Starting at the North Range Cross Road on Highway 101, proceeding to Bear River then Lansdowne, Smith's Cove (south of Highway 101), Hillgrove, Jordantown, Acaciaville, Morganville, Brighton, Marshalltown, Bloomfield Road, and Ridge Road back to North Range Cross Road.

Solid waste and recycling are collected curbside every second week on a scheduled day. Organic waste (green carts) are collected curbside on the alternating weeks on the same scheduled day.

The one exception to this is from the North Range Cross Road to Ashmore. There is still a two week rotation but solid waste and recycling collection in this area is completed on Wednesdays and organic waste (green carts) collection is completed on Thursdays.
