Limitations of  
Commercial Trucking  
in Our Area

Mr. Stone had concerns on commercial trucking in our area. Clear cutting is now taking place in his, as well as other areas, and he feels that now is the time to place limitations on commercial trucking. There are ruts in the road on Clark and Morganville roads and the engine breaking and high speeds are further damaging the roads. He is looking for assistance in dealing with this issue.

The Warden will speak to S/Sgt. Calhoun regarding the noise issue. Deputy CAO Sunderland will supply a copy of the noise ordinance by-law that states that between the hours of 10 pm and 7 am the noise level is not to be in excess of 55 dBA.
