Taxes

The Canada Revenue Agency (CRA) has determined that the legal status of FCM must change from charitable to not-for-profit. This change in legal status results in taxable registration fees for FCM conferences. In keeping with not-for-profit regulations, registration fees are taxed based on the location where the conference is held. In 2018, the Sustainable Communities Conference is being held in Ontario and the applicable 13% is being applied where the Annual Conference and Trade Show is being held in Nova Scotia and the applicable 15% is being applied. Each municipality is entitled to claim the applicable input tax credit (ITC).
